

NIMC Commissions Brand New Office in Katsina State.

The National Identity Management Commission, NIMC, has commissioned a brand new office building in Katsina State, as the NIMC State Headquarters, bringing to an end, the use of a rented location as the state office.

The new building which was commissioned by the General Manager, Corporate Services Mr. Ibrahim Abdullahi

on behalf of the Director General/ CEO of NIMC, Engr. Aliyu Aziz on August 17th, 2018 has ten office spaces including an Enrollment Centre with a Supervisor's office attached to it, a VIP enrollment Centre, the State Coordinator's office, a large reception area, a server room, one conference room and a janitorial attached to the store.

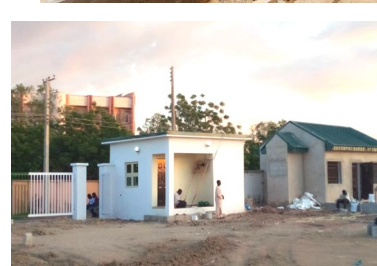

The General Manager, Mr. Abdullahi who led the Team from Abuja, expressed his satisfaction on the quality of the completed project, adding that it has always been the desire of Engr. Aliyu Aziz to redesign NIMC Offices nationwide to a world class enrolment

Centre so that the conducive environment will help the Commission to achieve its vision to provide sustainable world-class identity management solution to affirm identity, enhance governance and service delivery in Nigeria by 2019.

Others present at the event were Mr. Abdullahi Ahmad the Katsina State Coordinator, SA to the DG/CEO Dr. Ba Umar and Mrs. Jamila Ahmad of Corporate Communications.

In his handover remark, the Architect Mr. Bello Aminu who supervised the project explained the technical due processes his team followed to achieve a standard building through diligent financial management.
