markable increase in the enrolment of Kano residents particularly minors (children) under the age of Fifteen (15).

Engr. Muhammad added that the *Almajirais* enrolment which is the first of its kind, will help identify residents of the state, curb criminal activities and stop trafficking in the state.

He further called on the State Government of other Northern States to adopt the *Almajirais* NIN enrolment as most of the *Almajirais* are children under the ages of 15.

"As part of the mandatory requirements for the enrolment of minors (0-15years), either the parent or guardian must have a NIN, along with the child/ward's birth certificate. The Headmaster stood as guarantor for some of the *Almajirais* after they had obtained the letter from the Ward head before they were enrolled."

In his closing remarks, the NIMC Kano State Coordinator acknowledged the unwavering support of the State Government to the NIMC state and local government offices.

"This *Almajirais* NIN enrolment will continue to spread across the entire state alongside the enrolment of minors which is currently ongoing at all enrolment centers across the 36 states and the F.C.T."

He therefore called on all Nigerians and Legal residents to endeavor to register their children and wards.

Kano State Coordinator Engr. Sanusi Muhammad alongside other State management team.

The school is located in Gwale Local Government Area in the heart of Kano State with a population of Three Thousand Four Hundred and Seventy (3,470) students and Sixty One (61) teachers.

"Since the Sixty (60) days Emergency NIN Enrolment was declared by the Kano State Government, the residents of Kano State have shown more cooperation towards enrolling for the NIN" the State Coordinator said.

According to him, the collaborative efforts of the NIMC Kano with the State Government, has brought about a re-

The National Identity Management Commission (NIMC) Kano state has launched the enrolment of all *Almajirais* in Kano State into the National Identity Database (NIDB).

This is in line with fulfilling the NIMC mandate of enrolling all Nigerians and Legal Residents into the National Identity Database (NIDB) and issue them the National Identification Number (NIN).

The ceremony to mark the grand opening of the *Almajirais* Islamic school NIN enrolment, held in *Makarantar Hizburrahim Ta Sheikh Usman Balla (Malam Babba)*, and was attended by the NIMC
